

Shark Investing, Inc. Information Sheet

SharkInvesting.com, is the premier online destination for serious, sophisticated, and self-directed investors who wish to learn how to use their small size and flexibility to produce exceptional investing results. In addition to providing education, training and market insight, SharkInvesting.com helps investors identify investment opportunities with high profit potential. One of the highlights of the site is the Sharkfolio which is a real money portfolio managed in full public view by James "RevShark" DePorre. Since its inception in November 2004, the Sharkfolio has outperformed the major indices by over 400%

SharkInvesting.com was established in April of 1999 as an extension and continuation of the America Online Shark Tank, which was one of the first sites on the internet dedicated to individual investors interested in taking control of their own financial success in the stock market. Its founder James "RevShark" DePorre is a pioneer and leader in the on-line trading business.

Shark Investing currently has two subscriber services, Shark Investing Pro and Shark Platinum .
